“ *About 30 years ago, I was privileged to begin an attorney-client relation with John Chapman. Through the years, that relationship expanded to Elizabeth and I became more familiar with their family. My life has been truly enriched by this relationship and having known both of them. John and Elizabeth have left a marvelous legacy for their children.*

“ *Our deepest sympathy to Elizabeth's family. Her many years of suffering are forever over and she is now walking the streets of pure gold - safe in the care of the Lord Jesus Christ for evermore. What better consolation could there be!*
