“ I remember how sweet Lizzy was while visiting Rusty's mother after her stroke. I knew then she would be a great care giver. From what I hear, she was a fantastic aunt who will be missed beyond measure.

“ I met Liz working at Lexicon, it was a brutal job that many couldn't handle the heavy load, we would go through temp after temp until Liz was hired. Everyday she showed up to this job in the woodlands while she lived in Huntsville, she worked hard and made everyone laugh all the time. Going to miss you Liz, truly in shock and sad that you passed on. Rest in peace.

“ I met Lizzie when we worked together at the Lexington. She was so sweet you couldn't do anything but love her. She was funny and kind and her laugh was infectious. No matter what came her way she took it with grace and a smile. Her neice and nephew were the light of her life, the beat of her heart.  
I don't think I ever saw her meet a stranger with anything other than kindness and a smile. She was my friend and I count myself lucky to have had that honor. There aren't many people like Her around. She was one in a million and this world was better with her in it. My prayers are with her family. May God grant them peace and strength.
