“ I am very grateful for having had Momo in my life. She taught me many things I would never had known, had she not shared her life with me. I have always loved her and above all else respected her for her examples of faith, strength, sense of humor and good will towards all. I love her for having loved my sons, Jason & Brandon and my special granddaughter Gillian. I feel comfort in knowing the joy she experiences now with her beloved Bill and son Jerry, as well as all of the other special people in her life who departed this world before her. I would like to extend my condolences to everyone in her family, and especially to Cecil and Rita as well as Loretta, Lenora and Delbert and their respective families. She will be truly missed.
