“ *There is a sadness in the 42 world. A very special lady has left us. Everywhere I went to tournaments with her in attendance she always had her smile and would give me a warm hug then be RUTHLESS on the tables. Your mom will be missed by many.*

“ *Our memories of such a special lady are many and dear to our hearts. I dare say there is no one to be missed more at a domino table than Elvira. She knew our love for her! May there be comfort and peace in the joy of her remembrance. Love....Jana*
