“ *My condolences to the Jackson family. I'm sorry for the loss of your loved one. Some Bible scriptures that have helped me during times of loss include Isaiah 26:19 and Psalm 37:29 which states "Your dead ones will live...They will rise up." And the Bible also says: "The righteous themselves will reside forever upon it." Therefore the Bible promises that there will be a time when we may be reunited with our loved ones lost in death by means of an earthly resurrection. This is further confirmed in John 5:28,29 which says "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." This is possible thanks to Jesus Christ's ransom sacrifice. Thus we can have a genuine hope of everlasting life in a world without wickedness or suffering. I hope these scriptures will be of some comfort to you. For more encouraging thoughts on this subject, please visit www.jw.org*
