“ Mark, Carmelita, and other family members: Please accept my condolences on Ms. Oltermann's passing. She was a wonderful person--thoughtful, bubbly, energetic. I'll never forget the loving and attentive care that she gave your dad. It was a delight to be involved in her care and to get to know her over the years. At least now she won't have to worry about driving over those high overpasses in the Houston area that used to frighten her! Let me know where we can send a memorial. Steve Urban.
