“ Hello. Eric and I were roommates at Willow Springs. We became fast friends. After I figured out how to plug my ears from his snoring. I have been sending him spiritual messages a few times a week. I had wished him and I would get together soon. I’m so heartbroken about his passing. Toni I hope you and the kids have the peace of our lord during this time. Blessings to you always 🙏🙏🙏

“ *Barbara I am so saddened by this news. I wish I had words of comfort to give you but I am afraid that there are truly no meaning full words of comfort to give to a mother who lost her beloved child to death. I can only offer you my heartfelt sorrow & many sincere prayers for Eric, you & his surviving family. I will always have the memory of your sweet baby boy in the carriage & of us walking down Mapleleaf Lane together as you pushed him along. May Eric rest in the arms of Our Blessed Mother Mary.*
