“ I very much admired Ernie. He loved my mother, "Grammy", Loyas Ranft, and she loved him very much. He gave her "China" (dog) and Grammy spent every minute of every day with that little dog. Ernie brought his children to visit Grammy also and she loved them like her own. Cody spent some time at her house and so did his daughter. I remember Mother telling me of the wonderful time that she and Ernie had sitting and reading the Bible together. He sat on the floor at her feet and they read and discussed the Bible for hours. That was an important time for both of them. How wonderful for him to take the time to listen and learn. He was always fun, smiling, good natured, kind, thoughtful, sweet, loved his mother and mine, loved his children. He was a wonderful man that I had the privilege of knowing for a all too brief of time. He will be missed. I am truly sorry for your loss.

“ Dear Family:

Archie and I are so sorry to hear about Ernie. We really liked him. He and my mother, Loyas Ranft, had such a great time and he was so good to her. She adorned him.

Please accept our sincere sympathy. I know he and mother are having a good time talking.
