“ Mr. Massey will be greatly missed at the Fish Pond. He was a kind and gentle man and always left a smile on all our faces when he left with his meal to go. We pray God will give his family peace knowing he was so well loved.

“ *Stacey, so sorry to read of your Dad's passing. No matter what age a parent goes to be with their Heavenly Father we are not ready to lose them. He sounds like he was a great person and loved you all deeply. You and your entire family will be in my prayers during your time of healing.*

“ *The first time your daughter introduces you to her "special" boyfriend, the look in their eyes tells you...this is it...Doyle Massey is going to be your son-in-law one day. How much fun it has been being a part of the Massey family. Jewell's sense of humor brought tears of laughter to our eyes. Pete loved his family...what ever the kids wanted was fine with him. When we were blessed to share three beautiful granddaughters together....the real fun began. All our love to you all.*
