“ I just remember what a pure and honest immortal spiritual being "little Flower" is! We miss her but take heart...Etoile is infinitely alive in all worlds now !!!

*At this point I now feel In the immortal words of Bill Hicks:*

*"All matter is merely condensed to a slow vibration, that there is one consciousness experiencing itself subjectively... There's no should thing as DEATH". "Life is only a dream...and we are the imagination of ourselves".*

*Infinite Blessings and Love To Etoile And Her Most Beloved Family!*

“ I miss spending time with Littleflower-on-the-lake on PalTalk... There will be no one else in the World who is quite like her...& she is sorely missed by all of us who loved her for her sincere, honest, & direct personality...& appreciated her sound wisdom & guidance...forever. She gave SO much, to so many, so consistently over time--that her presence among us is truly irreplaceable... We will love her & miss her always.

“ I met Sunny in Willis Texas at Sunset Harbour Condominiums. I was so shocked at her passing. She was such a sweet person with a care-free spirit. I had a lot of respect for her as she had some much wisdom and gave of herself so unselfishly. We had alot of laughs and shared a lot of talks that I will never forget. I will miss her dearly and I hope to see her in heaven one day. My condolences and prayers go to the family as I'm sure this is very hard for all of you. I pray for God's peace to surround you during this difficult time.

“ I was shocked and deeply sad to hear of the passing of my friend Sunny. I wrote about Sunny and her abilities which formed a friendship that I truly enjoyed. I found this lady to be a bright , gifted , lovely woman and will without question miss her .

*It is hard to say goodbye to someone like this wonderful friend . I think I would rather say see you later kiddo.*

*My deep sympathy to the family. I know this will be a hard loss for you all. May God be with you all and may the light of sunny shine down upon you all forever*

*Sincerely,

“ ...There is little that I can say...except she was the most psychic person that I have ever met. She read me like a book...as I read her. During the last 6 or so months I worked on her radio show....and felt her deepest being. We shared some deep secrets...as nothing was hidden from each other. I will miss her more than anyone can imagine. David

“ How does one say an unexpected goodbye to a friend?  
There is no easy way. We saw each other through. so many sad and so many happy times...many ups and downs.  
She gave unselfishly of her time and helped so many. She never wavered when she made a decision.  
A light has left us.  
My deepest sympathies to her family. Until we see her again..

“ So sorry to hear about Candi. She was a member of the Ball High Class of 1960 as was I. When we lose someone from our class, it's like losing someone from your family. She will be dearly missed and we have all lost a true friend. Condolences to her family for their loss. Candi is now in a better place and we'll all meet again someday.

“ My deepest sympathy to Littleflower's family and friends. I met Sunny many years ago on the internet and no one has ever touched my life the way she has. I met her on comic chat along with Moussie. I never had the pleasure of meeting her in person but have spoken to her on many of my dark days over the internet. Littleflower was true to herself, knowledgeable, caring and always had time for someone who needed her. I am truly saddened by her death as all of her internet friends will be. She is home with Heavenly Father that she loved and I hope to one day meet her in heaven. So sorry for your loss.

“ Cancee and I met in high school and that's when I met her mother, Sunny. She was definitely a free spirit with a huge heart. I have so many fond memories of time spent at the Lake Conroe house and her trying to help guide Cancee and I in the right direction (even as adults).

*My deepest sympathies to Shawna, Daria, Cancee and their families.*

“ No doubt Candi touched many lives in positive ways. Candi was very special and will be missed by all of us fortunate to be a part of her life. I met Candi in the 9th grade and have wonderful and lasting memories of our times together in our high school years. She was a friend for life. May God bless her family and friends.

“ I knew her as Candi Sumner, and throughout the years often wondered how life had turned out for her.

*Seeing the brief biography in her obituary, it would be interesting for all of us who knew her prior to graduating from Ball High School, to learn exactly where life took her.*

*Candi was a fine and vibrant person. It's no surprise that she lived life to its fullest. That's as it should have been.*

*May the peace of the Lord be with Candi and her family and friends. And may the soul of Candi rest in peace.*
