

Eugene Anthony Julian

October 21, 1971 - January 1, 2023

On the morning of New Year's Day, 2023 our beloved Eugene Anthony Julian passed away from a heart attack, after a month-long battle with pneumonia. Gino was born in New Jersey, on October 21, 1971, lived in Boston, Las Vegas, Ft. Lauderdale and moved to Houston in 2011. He met his partner Jason in 2012 and became focused on their relationship and being a pet parent to their cats. Gino loved spending time at home, watching TV and listening to music. He rarely sat still, always moving, doing things around the house. He had a sarcastic wit and would give you his opinion on just about anything if you asked. He was a son, brother, nephew, cousin, partner, friend and coworker. And we already love and miss him tremendously. Gino was preceded in death by his parents, Barbra Cash and Anthony Julian. He is survived by his partner Jason Veach, aunt Bea, sister Chanel and brother Chaz, countless cousins along with many exceptional friends. The cremation will be handled by Sam Houston Memorial Funeral Home in Montgomery, Texas. A celebration of life will be held at his house in Montgomery, TX at a later date posted on the funeral home website. We request memorials be made in his name to Legacy Community Health Clinic at 1415 California St. Houston, TX 77006. You may leave written memorials at www.shmfh.com

Tribute Wall

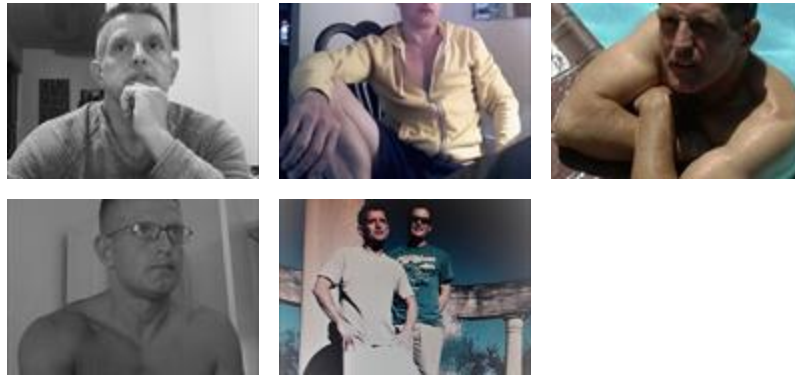

“ Gino was a wonderful person and truly a pleasure to know. He had a great personality and spirit. I miss him dearly.
