“ Greg, Though I haven't seen you in years, I wanted to let you know how sorry I am for your loss. I loved both your parents in SS at FBC and remember how sad I was when they moved away. Just know that time does help, Sept will be 4 years since my Dad passed away and I can now smile at memories of him without tears. (most days!) It is especially easier knowing our Dads are no longer in pain and they are with Jesus. Sincerely, Terri Murray Mustin

“ Dear Ruby Jean,
I did not see Eugene's obituary notice until Thursday evening and thus too late to attend the service. I am certainly thinking about you, Greg, Teresa, and children and will continue to keep you in my prayers. I'll try to locate your phone number through information. Let me know if there is anything I can do for you.

“ Ruby Jean, I am so sorry to hear about Gene. Please know that my heart is sad along with you-I will never forget both of you and what an impact you had on me during my senior year in high school back at FBC Pasadena.

Greg and Teresa, I know this must be a very difficult time for both of you, and also for Harrison and Hannah, please know that I am praying for you and your family. I will always remember you both--those years we spent singing together--being in each others weddings--babies- what precious memories--it seems like yesterday! I love you both. Jil

“ Dear Greg,
I am so sorry to hear about your dad. I remember him running out almost every weekend when we wrapped your house. We had to climb trees and take off running to get away from him! I know you will miss him terribly but will always remember the good times fondly. You are in my thoughts and prayers.
