“ Ethyl:

I just wanted you to know, and everyone else, that we thouroughly enjoyed the times we had at the lake. I don't care if it was just a small cabin when we came. We had fun!! I miss the good times, the times when it seemed like time just stood still. When you are young, you don't always realize everything, but when you get up there in age, you start to realize that every precious moment counts. I've been finding that out later in life. Every day is a gift from God. Enjoy each precious moment. God Bless you, and the rest of the family. I hope to see you today.

“ Dear Ethyl and all of Gene's family,

I will always remember Gene. He was a big part of my life when I was growing up. He was like an adopted Grandpa to me, and such a kind, sweet man. I always enjoyed him coming by to visit and talk. I loved visiting, playing & swimming out at the lake, fishing with Gene, enjoying Ethyl's good home cooking. Those were wonderful times.

Gene always told the best stories and gave the best hugs. Growing up, I always thought it was neat we shared the same birthday, Gene and I almost always shared at least a phone call on our birthdays. He always made me feel special.

I have so many warm memories of him to keep.

I feel very lucky to have had Gene and his family in my life.

Thank you all so much for including us, it means the world to me.

Love and sympathy to all,

“ Dear Ethyl, Victoria, Gene, Sister, and all the family,

I loved your dad, enjoyed him, will miss him, and will always remember him.

A lifetime of great smiles, warmth, and kindness has left such wonderful memories to cherish and remember.

A great talent, consultant, mentor, and teacher, Gene taught so much to me and so many others by his going, doing, kindnesses, and life-example.

So now I will rely on all he taught and although gone, he will still be "stopping by" and I will hear his voice in the phone calls I will still "make" as I hear him say, "you know what to do".

With me always, he still is and will always be, "with me now". I'll hear his voice.

I thank you all for including me as did you dad, in your fine and loving family. I am so sorry for his passing and your loss. Hugs and embrace to you all.
