“ Nelda, you and the rest of your family are in my prayers. I know this time is rough, but Gene touched so many lives, brought so much happiness to so many, he will truly live on in so many memories. For many years, up at the college, I used to love to "run" into Gene somewhere painting, and just listen to him talk about anything and everything. He always brought a smile to my face. I will truly miss him coming into our Sunday School class to "take" a cookie or two, and to always search him out at the start of church, just to see how he was doing, and of course, get a hug.

“ *Uncle Gene, you will be missed more than you know. You were the patriarch of our family and always seemed to somehow bring us together from our individual lives each time you visited Chicago. Your crazy laugh, endless stories and superb picture taking skills were second to none. I'll always remember you for your love of family, compassion to the church and constantly having a lottery form in your front shirt pocket. Rest in peace!!! Forever in love, your niece, Tracy*
