“ *Eula was like a mother to me and I love her dearly. We went through many good times and bad times together. She was THE BEST grandmother my children could have hoped for. She will be missed but I am so glad she is at peace now and no longer suffering. My prayers are with the family. I love you all.*

“ *Aunt Eula was such a delight, we enjoyed her visits to Winnsboro and will miss her very much. Please know that though we cannot attend the service we will be thinking and praying for all of you. Please send our love to all and our condolences as well. Dad and Gramma send their love too. May God comfort you during this difficult time.*
