“ *Dennis, you probably do not remember us. We lived across the street from you on Mariam Lane in Arlington from 1969-1973. Our children are Brian and Shannon, they were quite a bit younger than you, as I think you were about 10 when we moved in. I have thought about your mom so many times over the years, having purchase several pieces of her art she often came to mind. I was so sorry to read that your dad had died in March and your mother is no longer living as well. I was just on line doing some research on Joy Ready Texas Artist and this popped up. Wouldn't mind hearing from you, how your life is going. Kathy Hoffman*
