“ *I remember your mother from many years ago and in many different ways. She was a classmate's mom and worked in the registrar office while I was a student. Then I was lucky to work with her in United Methodist Women making things for the Bazaar. She could do most anything with those talented hands and clever mind. She and her husband greeted us many times before church. She will be missed, but we all have wonderful memories. She's a part of you still and always will be! Linda & Turner*

“ *Your mother was a special person who did many things in her life, but I suspect she would put raising a fine son as her finest accomplishment. I know she is at peace. You did a great job. Our thoughts are with you.*
