“ Dearest Bevin & Family,
May the grace of our heavenly Father surround you with his love. I pray that your pain will be replaced with nothing but precious memories of Sweet Falon. My memory of her is hearing my Mother say everytime Falon came to church at Dacus, she would always give her a big hug & say "I love you Aunt Eleanor". I know they exchanged hugs once again in Heaven.

“ Bevin, Wendy, Britney, Fanin, Hunter & Family - We imagine there is no pain more far-reaching and deeper than losing a child. Losing a child is a pain; So high, you can't get over it. So low, you can't get under it. So wide you can't get around it. You must go through that door.....Keep the faith my friend, I know you two will meet again.... Fallon was such a precious little girl - we were very blessed to have been able to spend time with her when the girls rode together, i can say without a doubt that there was not a time when she was not smiling, and such a pleasure to be around!! Our heart and prayers go out to you at this most difficult time

I can remember the first time I saw her when she was a toddler barely walking coming into the store and I thought what a beautiful, sweet little girl. As I saw her grow she always was a joy to see. All the hopes and plans for Fallon were small compared to God's plan for her. With God's help and our prayers for your family, you will recover. Look for the special beauty in the world as you hold her dear to your heart. God has promised you will reunite with her someday, but, for now, you have a purpose here until your time comes. “ Fuller Family & Friends ~ Please accept my most heartfelt sympathies for the loss of your daughter, Fallon. My thoughts are with you and your family during this difficult time. I was very privileged to meet Fallon and have her as a student in my class. She was a smart, brilliant young lady, and her smile always seemed to light up my classroom. “ Well, I met Fallon In RISD Library as a business office new hire. I feel she noticed my awkwardness during this time and came straight up to me when checking out books, with that smile, a bit shy, and started and continued a "horse talk" we both could relate to. I think she felt I was a little bit in need of this, and I looked forward to visiting thereafter with Fallon. I feel that Fallon was a "special student with a gift" of possessing that extra sensitivity and caring for other's as I have witnessed throughout the years that it was her way to give those extra hugs, smiles, acknowledgements to adults, students and friends, a very positive-minded girl. I will miss Fallon.

“ Although I did not know Fallon for very long, she touched a lot of lives out here at First Baptist Dodge in the short time that she visited here with Bevin and Fannin. I cannot recall a time when she did not have a smile on her face and joy in her heart. She always seemed so happy whether it was over getting new braces or hanging out with her best pal, Ashley. She was always ready to give you a hug and excited about everything she learned when in children's church and in vacation bible school. We were looking forward to seeing her baptized after accepting Christ during VBS, now we will look forward to seeing her again with our heavenly Father. I pray that God will comfort you and surround you with His love until that day, may God bless you all.

“ There is no words to say that describes the heaviness of our hearts and the hurt of this loss. Fallon was a wonderful gift to all of us. She was the sweetest child. Always that big smile and hug for you. She certainly was just like my very own grandchild, and Mike loved her so. She will be sorely missed by everyone. Bevin, Wendy, Brittany, Fannin and Hunter, just know we are here for you and that you are all in my prayers. My love to each of you. God is holding this precious child in his arms.
