“ *A very kind and sweet lady - always with a smile on her face. Even though the past few years she has been in very poor health, she always had a smile on her face if she was awake. I was one of several who took Holy Communion and/or to pray with and for her each Sunday morning. Amazing how she could always bless herself by making the Sign of the Cross, close her eyes, and sometimes pray The Lords Prayer with us even though her physical and mental condition left her with no other abilities. My condolences to her family on the loss of a very fine woman.*
