You all know I would been there if I had known. Flora was a wonderful lady. I will always hold a special place in my heart for her. “ Tommy & Family, So very sorry to hear about the passing of your mom. Mrs. Flora was the sweetest & dearest lady I've ever known. I don't know how she would always know who I was, but she did and would ask about my mom & dad! I lost my mom Thanksgiving and I know it is a loss that never seems to get any easier...our moms are the reason we are the people we have grown up to be! We have all our wonderful memories of times past and they always help me to make it through the bad days! Please know that we are thinking about you & your family and let us know if we can do anything to help you! Hugs and much love!!!
