“ May you continue to feel comforted by the love and support of family and friends. Proverbs 17:17 says, "A true friend shows love at all times. And is a brother who is born for times of distress" Grief can be so hard, but our special memories help us cope. Remembering you and your loved one today

“ *Our deepest sympathy and condolences to the Adamick family. In 2012 we bought FJ & Shirley's "ranch" and sometimes we would see a strange car driving around the place. It always turned out to be FJ behind the wheel just checking "to see what we'd done to the place". He was always welcome! May he rest in peace. We will be lifting up the family in our prayers for God to wrap them in His comfort now and forever.*

“ *I have known Mr. Adamick and his family as far back as I can remember. He and his wife were always wonderful people who were friends of my parents, JD and Odine Pool. My sister, Diane and I grew up with their children. Later in life, I was the mail carrier who delivered Mr. Adamick's mail. Quite often he would be outside when I came by and we spent a few minutes talking or he would just wave and smile. These exchanges always brightened my day and I looked forward to them. After I retired, I did not see him very often; but when our paths crossed he always had that big smile and a kind work. He will be greatly missed. Darlene Pool Mann*
