“ My sympathy to all the family. Florence and her parents we're our neighbors. I remember her friendliness and special laugh. I attended Montgomery High School with her during the '40's.

“ Dear Gina, Jerry and I are still in shock over the news. We contacted the boys and Rachel right away since the Coxes meant so much to them. Our family has so many Florence and "Cox" stories that we continue to share whenever together. They had a powerful impact on our lives. They were the very best of neighbors. I always said they added value to our house. It was a joy to do a little research for your mom on her Ukrainian-German ancestors and give her proof that they arrived in America on the Mayflower. They reported on the boys when they sneaked out at night. There are so many stories. We really love them.

“ Richard and family, my thoughts and prayers are with you at this time and during the days ahead. Your mom and dad were both very special people and it makes me smile knowing they are together again. Your mom was one special lady who could always make me laugh. I feel blessed to have known her. My love to you, Rachel and the girls.
