“ *Frank's hearty laugh and easy manner will be deeply missed. He was a dedicated professional, a reliable friend and an all around positive influence on people with whom he interacted. Our thoughts and prayers are with the Krauss family.*

“ *My sincerest condolences to the Krauss family. Frank was easily one of the finest people I have met in the oil business, and one of the most compassionate. He really cared about how people were faring in their careers even if he was not transacting business with them at the time. His extended family in the oil patch will treasure his memory and miss him greatly.*
