“ Carl - I was stunned to hear of your loss. I had lost touch with Michelle, but remember her as one of the most caring individuals I had ever met. She was a great friend. Girls - Everytime I spoke to her she said wonderful things about you. She Loved her family so much.

“ I am so sorry for your loss. Your mother's passing has extinguished a brilliant light. Taryne, you and your family are in my thoughts. My heart aches for you in this most trying of times, the loss of your mom. Taryne, I know that you are strong and will extend that strength and compassion to others, but know that I care and your family will remain in my prayers.

“ I am sorry to say I did not know Michelle, but I had met her daughter Taryne through my son Sam Emens. Taryne is a lovely young woman who gave our family a special little kitty. Taryne showed such compassion. I wanted to let the entire family know how sorry we are for the loss of your Mother, wife and friend Michelle. Our hearts go out to each of you, and our prayers will be with you through this most difficult time. We can not begin to understand your pain and grief, but we want you to know we care.
