“Joyce, Vicki and I are so sorry to hear of Neil's passing. I had not seen Neil in several months - just had not crossed paths lately. Vicki and I were newlyweds in College at Sam when we first met you and Neil. We were always impressed with your friendliness and kindness.

Vicki always had stories about Neil at work with the City, where she worked to help put me thru School. Your love for each other was always present and certainly an inspiration to not only a young couple like us, but everyone you two were around. Trust that Neil is continuing that joyful life in a better place and we will all see him again.

God bless you and keep you in his arms during this time of your loss.

“Joyce, I'm not sure that I ever had the privilege of meeting you, but I have known and respected Neil since I knew him in high school. Although he was a couple of years ahead of me, I always enjoyed being around him. He was adventuresome and full of life. He was so well-respected, both as a "good" person and as an outstanding athlete. He, Buddy Berryman, and I were close friends. I knew his family (mother, dad, Robert, Laurie, and Virginia), and they were all well-liked and respected by the people of Kirbyville. I'm so sorry that I had lost contact with him during the past several years, but Buddy and Laurie have kept me somewhat informed. I knew that he had been in Huntsville for many years. I finished school in KHS and taught for 6 years in the South Park (Bmt, Tx), and then we moved to Hattiesburg, MS, where I taught for 35 years at The Univ. of Southern Mississippi. Our condolences and prayers will go out for you as you adjust to life without Neil. However, I know that you have many, many great memories of and with him. God Bless!! I considered Neil a very close friend. Bobby D. Moore, KHS Class of 1955
