“ *I am so sorry to hear about Frank.*

I met Frank when he came to work for Texaco Chemical fresh out of College. He was a student of the job and worked harder than any to understand the processes and how the plant operated.

He was a friend to all and a fine gentleman.

I, too , worked with Frank at the Jefferson Chemical Plant. He was a fun guy & helped me a lot. Always kind & a gentleman! I considered him a friend but lost touch when I left the plant. Rest in peace Frank.
