He went to work as an Air Traffic Controller in Houston and spent 37 years enjoying the challenge of his profession. He ended his career in the management ranks and retired in 1994. Upon retiring he moved from Humble to Huntsville, Texas which he adopted as his native city. He and his wife spent their retirement years traveling intensively with their RV to

Canada, Alaska, Mexico and all of America where they met many dear and wonderful friends. Their RV club, the Kountry Lone Stars, became their second family where they would enjoy week-end outings throughout Texas and the U.S.

Frank enjoyed the Elkins Lake community in Huntsville, where he and his wife became actively involved in social and community affairs. They were members of the St. Thomas Catholic Church and participated in many clubs and functions where they cherished the many friend they met along the way. “ *Frank was one of the most generous people I have known with his friendship and time. His friendship was genuine and the time our family spent with Leon, Hilda and Frank was always sheer joy. I know he is in heaven enjoying time with Our Lord and his loved ones. God Bless you Frank and may perpetual light shine upon you with all the plenary indulgences and grace of heaven.*

“ *I worked and Houston Center and had occasion to cross paths and converse with Frank on a number of mutual issues. From my perspective he was a super person to work with and shot from the hip. Rest in peace compadre, we'll talk someday again!*

“ Frank and I respected each other, especially on those 8 hour mid shifts at IAH BUSH tower. I was, like Frank trained in the United States Air Force, myself as a Radar, Display specialist. We would visit when we both served a midnight shift, I always respected Frank's description of a problem he was having during his mid shift, and he always sought me out to repair whatever he needed to be restored. We worked well together. I know where Frank is spending his eternity and I hope to see him when my time comes. We are the same age. GOD BLESS AND KEEP YOUR FRANK!

I worked with Frank at IAH until August 1981. I remember him as a very calm and easy going supervisor.
