“ *Dear Franky,*

*I am so sorry to hear about the passing of your father. I feel that I became an honorary family member of the Viniarski Family many years when we first met. I think that the good Lord brings us together in a purpose driven way and that in times like this, you have to stay true to your faith. Be strong and know that he is in a place of joy and free of pain. You are always in my thoughts and will remain in mine and my family prayers.*

*Im sorry for your loss and I will keep you,your family and friends in our prayers. Its such a hard time for us all when we loose a loved one. But the Lord has a way of showing us all the good one has done by using us as the reflection of your loss. Frank will be greatly missed and others will continue to be the persons they are today through him.*

“ Dear Frank and Family,  
I just wanted to say I am sorry to hear of the passing of your father. I know he passed many of the wonderful qualities that you exhibit on to you. I know you will miss him a lot but that we all know he is in a better place now. Allow the fond memories of his life be with in your time of sorrow.

“ Poncho and family:  
My thoughts are with you at this time. Many folks have good memories of your dad.....I especially remember him sitting in Waverly House, drinking coffee and visiting with his friends. He will be missed, but he will live on in your hearts as you hold tight to the memories he left with you. Mrs. Bartee
