“ To Mori Eugene Magee...

Your family has been an integral positive part of my life since early high school days!

Upon entering Sam Houston State University your parents invited into the family with open hearts and arms; for that I am and will be...eternally grateful!

Your mom, my closest and dearest friend on this earth, Frankie Ann Knight Magee will remain in my heart forever and always!

From the day we first met until her transitioning ; from a personal....she remained the same!

Not having the opportunity to say "goodbye" was not in God's divine plan; extremely hard leaving somewhat of a void. I receive comfort (sincerely hoping you as well) from her frequent calls tearfully endings," Mary Joyce I love you and I will tell your child, Mori you love him as !!"

I as you, can move on keeping the strong faith without a doubt knowing.... "We Will See Her Again!"

Mori please know, you will"see her later!"

“ Frankie was a wonderful teacher and mentor. I had the pleasure to have her guidance while serving in Buzzer Club. She was a true supporter of all the youth activities during her life. HHS has lost a legendary teacher and supporter of the youth of Huntsville. Frankie's family is in my thoughts and prayers. Leigh Ann Moorman Dye

“ So sorry to hear that Ms Magee passed. I know she will be missed by many. I can honestly say that I do not remember many of the teachers I had back in high school, but I definitely remember Ms Magee. So much fun working with her in the Booster club and planning the dances (I still have the Huntsville Hornet Football mug we sold in the fundraiser). I know that she is now in a wonderful place and able to look down on all those whose lives she positively affected.

“ To Mori and the Magee family,  
We are so very sorry for the loss of your mother. She was such a wonderful teacher and had a big heart for all her students. I have so many great memories from high school and even memories made after high school. She was a joy for me to have as a teacher; as a co-worker to my husband who worked at the high school with her for over 20 years; and as a teacher to my 3 children that graduated from Huntsville High School. Mrs. Magee could never be replaced. Her legacy will live on forever to all her previous students from the many decades of teaching at Huntsville High School. I will miss all the hugs & the visits whenever I would see her about town. Please know that your family is in our thoughts and prayers. Jamie & Don Brinegar Family
