“ *I am so sorry to hear about your loss of your dear loved one. The time spent with them always seems so short. Please find comfort in the promise from God that he will resurrect our loved ones, John 5:28. The bible also says that "Jehovah is near to those that are broken at heart; and those who are crushed in spirit he saves." Psalms 34:18. My prayers are with you and your family, Sandy*

“ Please accept our sincere condolences in the passing of Frankie. I worked with Frankie at Mounted Patrol and loved Frankie dearly. He was a special person with a dry sense of humor, but was always willing to do whatever I needed him to do. The world needs more good people like Frankie and I know he will be sorely missed.

“ Barbara & family. Our deepest condolences & sympathies to you all. What an awesome man of God Frankie was. My fondest memories of Frankie were always seeing him at the MHS Choir Veteran's Concert and at church veteran's day salute year after year. To see him proudly stand as a veteran and see him look so youthful and proud. We all are the proud ones to have known Frankie. Grateful to Frankie for his service for our country. Even more proud that Frankie serves in the Lord's army. May God comfort you and give you peace in the days ahead. Until we see him again. Prayerfully

“ Dear Barbara and family,

My thoughts and prayers are with you during this difficult time. I never really knew Frankie, but could see the happiness in your face when you married and throughout the years. May he rest in peace and may God bless you and your family.

“ Barbara (Dear Sweet Friend), Frankie was a kind & gentle spirit that I am honored to call "my friend". He was so courageous, while he faced his trials in life. As always, you were right there beside him with your love and support, and we have all watched and admired your endurance. Frankie drew his faith and strength from you and his relationship with His Saviour, Jesus Christ. Barbara, my prayer is that your sorrow will be replaced with sweet memories of happier times. In some small way, I hope my words have offered you & your family comfort.

“ Barbara, it just seems like yesterday that Frankie and I had our talk about life in general. Where he had been and what the future held for him. He was not his usual self that day. He did not realise how much he touched my life and what the Lord had in store for him. What a ride, in no time he was like a teenager again. He fell madly in love with this sweet young, red-head from Montgomery, TX. and all her children. He was so very blessed to have you in his life. I love you my friend and am so glad you told me yes. You guys made beautiful memories together that will live on in your life forever. Love you! mp
