“ *Our condolences to the Hamner family. Galze and I were long time friends and co-workers for many years at old Brown and Root. Attended many a Longhorn game together. He would always look forward to Mary Lee's sand tart cookies this time of year. She'd bake and save a container especially for him. But, he wasn't that eager to share them at work! We will miss him very much. We will make a contribution to the Hospice.*

“ *Galze, we didn't get to know you very well as you and Connie were always going somewhere. We are so happy you two found each other and enjoyed these years together. Thank you for making our Connie so happy and adding so much to her family. We'll meet again.*
