“ Thank you so much to each of you, the most important contribution you have all given has been your TIME....time is priceless and immeasurable. YOur prayers, thoughts, presence and condolences have been a great support for me during this time of loss. I love my honey so much and will miss him more than anything or anyone in this world. It is approximately one week right now that my baby went to sleep, now he is resting peacefully....but will always be in my heart and in every waking moment of my life. Thank you to all of you- there are no words to describe the appreciation I have for each of you....

Sincerely,

Sarah
