“ Gary will be missed by many. He always thought of his family first, and was proud of them all. He always said he was fortunate to have Gracy in his life. Our condolences go out to all of his family and close friends.

I worked with Gary in the early 2000s in Hallettsville. He was work decisions were respected, and his concern for his co-workers was unwavering.

May Gary's family find support in words, flowers, cards, and prayers that are being sent their way. May Gary be peace now.

“ I will miss you cousin. Always enjoyed your visits at mama & daddy's house. You loved your Aunt Tommie & Uncle Bill and they loved you so much. Thank you for being there for them when they were in bad health and being there for daddy when mama died. You were always someone we could depend on to help. Wish I could have been there when you were so ill. Gracie, Aunt Joyce and all the family, I love you all and you are in my prayers always.

“ I am saddened by my friend Gary's passing but I know he is with Christ now. Praying for peace for the family that I have been friends with forever. My fondest memory of Gary was when Pat and I were young Gary would always play football with us. He always treated me with the most undue respect. He would pat me on the butt and tell me to keep working hard and you will succeed. Love to the family.
