“ To the House Family,
I just watched the video of Gary and Freddys
life after they got married.i was truly touched
by it. I can see you both lived a very full and
happy life. You had beautiful children ,grand
and great grand children. I always wondered how his life turned out
but now i see Freedy just how happy you both were. You were
defiantly his life partner and always there for him. You did a great
job. Thats so awesome. Im sorry for your loss and i know you miss
him dearly but i hope you find comfort knowing he's in the Lords
house and is at peace. One day you will see him again but next time
it will be for an eternity. God bless you and your family.

“ A great friend of ours went to heaven last week - his memorial service is this morning at 11 am. in Coldspring, Tx. Gary House was truly one of the good guys. He was full of wit and wisdom - a rare combination. He was a man of great faith in Jesus and had the privilege of leading his grandson, Zane, to Jesus. Gary was a great defender of his friends, always quick to help others, which is a character trait we seem to be losing these days. Lynette, Travis and I will see you again one day Gary, just not too soon...our race isn't nearly run. Our love to Freddie and the family!

“ Condolences to all of Gary's family. I too knew him from junior high and high school with fond memories of him. There was a huge group of us that ran together and I know there are great stories of that time. The video shows what a family man and loving husband he became and for all of you I hope God's hand rest on your shoulders to give you some moments of peace and brings forward his memories.
