“ *Kathy, I was stunned to hear of Gary's passing. We graduated the same year. I always enjoyed talking to the both of you at the reunions. He was a really nice person.*

No amount of words can ease your sadness and loss. However you should always keep in mind you have great friendships with all of us from Austin High School.

“ It is so hard to believe that Gary Don has passed, but I am so glad I was able to see him twice in the past ten months – even though one was his being a pallbearer at Alfred’s funeral. The last time at the party we attended was just a couple of months before he started to feel bad. But, we all had a good time and got to visit with each other. We were friends for the majority of our lives and I have some very sweet memories with him and some funny times as well when he made me laugh. I know he suffered the past few months, but now, he is no longer in pain. I pray that God will watch over Kathy and the rest of the family and they will find comfort in their memories of better times. Rest in Peace my dear, sweet friend – I will miss you very much and you will always hold a special place in my heart.

“ Kathy our prayers and thoughts are with you. Will miss our couch side chats with Gary sitting and listening to our chatter. Fondest memorial of Gary was him taking me outside and showing and telling me all about the plants that ya'll brought back from Alabama. He was such a good person.

“ Kathy,
I was saddened to read of Gary's death. My thoughts and prayers are with you and your family at this time. I always enjoyed my annual visits with you and Gary. I'm glad you and Gary had these years of retirement. I continue to care for my son who suffers from a brain tumor. He also worked for SBC/ATT for thirty years. I know you have happy memories and they will become sweeter as time goes on.
