“ Me and my dad went on Maurice's hunts in the late 1970's when he was first organizing them. at the time he had lots of friends who owned ranches around south texas, and they would let him bring his hunting customers. 50 bucks a day and life was so much simpler back then. we always got hogs and javelins and had a great time! by golly, Maurice was a regular guy and that's the greatest compliment I can give someone.
