

George Ancira Jr

September 18, 1978 - January 18, 2015

George Ancira JR was born on September 18, 1978 to George Ancira Sr. and Aurora “Nina” Solis Ancira. George passed away Sunday morning with his wife by his side, after battling cancer since June of 2014. He is survived by his wife of 16 years, Shelley Stevenson Ancira, two daughters, Emily & Allie, two brothers, Bryan Ancira and his wife, Krista and their children, Trey and KJ, Stephen Ancira and his daughter Mystie, The Wolf Pack and Coop, and numerous aunts, uncles, cousins, nieces, nephews, and many, many friends. The family would like to thank Team Big George for their love, support and prayers.

George grew up in Godley, Texas and attended Godley schools. He was proud to be a Godley Wildcat and participated in sports and played the drums in the band. He was also known as proud Fightin’ Texas Aggie and attended every home game! He loved sports of all kinds and was a walking trivia dictionary of team statistics, athletes, and coaches. He loved coaching and was respected by so many other coaches and teams in the select softball world.

George was an instant friend to all who met him-he never met a stranger. Once someone met George, they never forgot him. No matter where he went in this great nation, there was always someone who would recognize him and greet him with “Hey Big George!” George made everyone feel special and he

loved to kid and joke with people. Those closest to George said this of him, "The thing about George, is that he surrounded himself with people that did not like to bring attention to themselves or public speaking. He spoke for us and we lived in his shadow and loved every minute of it."

George has been described as a force. That, he was! George loved his family, loved his friends, and fought hard to beat cancer. Because of his faith and trust in God, he never gave up believing for a miracle. His mantra was, "Don't give up, don't ever give up!" He never did. We are all better for having known him, and will miss his humor and laughter. He was a great man who ran the race well, finished strong, and is finally at peace in heaven, reunited with his Mom & Dad and many loved ones who went before him. He will never be forgotten. Rest in peace Big George and "Gig 'Em!"
THAT'S RIGHT!!!

“ Dale and I were talking about our favorite memories of George. Coach Hunt remembers George coming to him and wanting to play basketball, and trying to find a basketball jersey for him. We also talked about how for the first month we dated, I wasn't sure if I was dating Dale or Dale and George. Dale lived across the street and if George saw my car or me come over, he came over to check on us. I'm sure he was just trying to help Dale out. Dale would have to threaten him with running or bear crawls to get him to leave. I think he spent all Halloween night helping us hand out candy. I had also forgotten that we shared a birthday. No wonder I liked him so much. Love to you all from Melony and Coach Hunt.

“ Sweet Georgie, what a pleasure it was to always see your smiling face. Sincerest condolences to all of your loved ones; you will be sorely missed by all. We both loved you... and still do.
It was pure poetry listening to you, Stephen and Bryan playing the drums at a football game; you pumped up the whole crowd. I was also fortunate enough to watch you come to the rescue of a young girl trying to show an unruly heifer. You tied your gentle heifer up, walked over and man-handled the unruly heifer and let her continue to show your gentle one. What a wonderful man you were, even at such a young age. You were the best of men.
