“ Mrs. Lundquist, Jeff, MaryBeth, Sharon, and Megan, it has been a long time since I have had opportunities to visit you all but I have nothing but fine memories of my childhood and early adulthood as Jeff's friend. I always enjoyed my time with your family. George was such a gregarious man and his humor was quick. I smile now thinking of the euphemisms George used when Jeff and I were in your garage in JV working on motorcycles or his truck. I recall him smoking a cigar on your back porch always quick with a humorous greeting. I remember coming to see automation Jeff and his Pop created for their dry ice business, the mutual pride was evident. The chip of the old block being self evident. Your family's losses of Billy, Denise, and now George these last months are burdensome. My thoughts and prayers often are with you all.

God's Grace be with you in this time of great sorrow.

Our deepest sympathies to all the Lundquist family and all those who knew and loved George. We have no doubt that this good man is with his children and other loved ones that awaited his arrival in heaven.
