“ Kathy M.,  
No words can help heal the wound that is left when a loved one leaves our side, only time can allow it to hurt less and less. Still I wish to express my deepest thoughts to you and your loved ones during this very difficult time. I am sorry I won't be able to make the service but something tells me you will be surrounded by lots of people who care and love you.  
You will be in my thoughts.
