

George Wayne (G.W.) Purvis

May 17, 1943 - October 27, 2014

When someone you love becomes a memory, that memory becomes a treasure.”

Surrounded by family and friends, George Wayne (G.W.)Purvis, lost his valiant five year battle with cancer on Monday, October 27, 2014. He was born in Waller, Texas on May 17, 1943 to William and Mildred Purvis. George devoted his life to being an incomparable provider for his family. He was a loving husband, father, grandfather, supportive friend, and co-worker.

After working in the petrochemical industry for 50 years, George enjoyed fishing on Texas lakes in his prized bass boat and riding his Cushman scooter around Lake Conroe. For 48 years, George shared his life with his devoted wife, Pat and was the proud father of Jeffrey Wayne Purvis and Jody Loza. In December 2011, he became the happiest grandfather to the highlight of his life, Owen Loza.

A celebration of George's life is planned for the future. For those wishing to send a memorial, donations may be sent to the Texas Parks & Wildlife Foundation, 2914 Swiss Avenue, Dallas, Texas 75204, or online at <http://www.tpwd.state.tx.us/business/donations/> or to the charity of your choice.

“ I am so sad to hear about George. I really enjoyed having him as my boss. He was so funny at work. I remember some days just laughing all day, because of the funny things he would do or say. He was such a thoughtful and caring person. Out of all the people that I have worked for, George stands out as exceptional in so many ways. I feel very lucky to have known and worked with him for those years.

“ I am sad that George passed away; I know that he fought the good fight. I am glad to have known George, to have fished with him and stayed at his Lake House.

He will be missed!

“ I only knew George through a business association, but what I knew of him was he was a hard working and dependable person. We here at ABCO Industrial Sales, Inc. are very sorry to hear of his passing and our thoughts are with his family and loved ones during this difficult time.

“ Gorge was a man of character. When I first met him in 1988 Houston, I was somewhat intimidated by his size. However to my surprised he was a gentle bear and since than we became twins. I am from Singapore and every time I am with him in the states he was so kind and helpful in bringing me around to many places, weird ones too. He likes to jump on my bed and twit my morning call alarm to 3am. Also he twit my TV to see free cable Ha! We really had fun.
George we will meet in Heaven and Jesus loves you.
