“ *Many years are filled with the great times we all shared. From the very beginning Dad and George were the very best of friends. George was always ready to help Dad in any way all the years as our Pleasure Hill was being developed. I will miss so much about George especially the great hugs and the his waves from his window every time Dad and I passed by his house. Dad and George left us in the same week; and as our hearts are hurting so bad, may we find comfort that they are together--friends forever.*

*My love and blessings to you,
