“ Words just seem so very inadequate to express the deep sorrow felt by the loss of Bill. CeCe and I loved and respected Bill so much. Someone as special as him will never be forgotten. Bill will remain in our hearts forever. Those we love don't go away, they walk beside us every day, unseen, unheard, but always near, still loved, still missed and so very dear. Even though we have lost someone that we love, we have gained an Angel we all know. We offer our prayers and sincere condolences to Janie, Cody, Cory, other family members and friends. He certainly left footprints in all our hearts.

"I am the resurrection and the life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die." John 11:25,26

“ I am sending my deepest condolences to Bill's family and pray that you find comfort in the fact that so many people loved Bill. We all know that he is in a better place and that he is truly at peace. I smile when I think of him when he was working with us at "The Houston Airport System"...he always use to sing my name to the "Mabeline" song and always greeted me with a smile. He has been missed here at the Airport. But now he is forever all around us.
