“ *One of my favorite memories was from the late 1980's. I was a newlywed, and Mike and Teresa had my husband and I over for dinner. They had recently acquired a new set of cookware and demonstrated how efficiently the units worked together to prepare an amazing meal simultaneously on the stovetop. The food was amazing but what always stuck out in my mind was the way Mike looked at Teresa. I knew that day theirs was a rare sort of love and that it would endure. And it did. Teresa, we only grieve when we lose something valuable. I like to think of it as a way of saying thank you to God for a gift that was worth having for awhile. Mike was truly a gift.*

“Mike will be missed by so many. He was kind to all. He cared about people and it showed. I did not see him often enough over the last 10 to 15 years. When I did, he gave me the warm fuzzy feeling that only a true friend or loved one can give you just by that hello hug.

One of my fondest memories was when I was 15 and did not know how to drive. Mike being a small town boy thought that was crazy and offered to show me. I think we were at some family function in Gatesville. Maybe a Family Reunion? At the time he had a sports car. I think it was a Ford Mach 1. Well, I drove, it was the most exciting thing in my life. Mike hung the moon and became my favorite cousin! Definitely made up for the week of Glen Campbell music!

Mike spent a week with us when I was going into 6th grade. Dad was still in the Air Force and stationed in Abilene. Mike brought all of his Glen Campbell Albums per my father's request. Dad had recently purchased a fancy stereo system while he was overseas in Thailand. It was a reel to reel and he needed to record music. Dad recorded every one of those Glen Campbell albums and drove we 3 kids absolutely crazy, Brenda, Brad and I were not use to country music and didn't like it back then. I think Brenda was in to Led Zeppelin and the Monkeys. I liked Sony and Cher. We teased Mike relentlessly about that country music. He just laughed it off. That good nature of his stayed with him his entire life.

Mike was blessed to have a wonderful wife and family. Teresa, I know he loved you with all his heart. I am sorry we cannot go to his funeral. I had lumbar fusion 15 months ago and have not bounced back. I am having neck surgery in March and more back surgery after that.

Hugs, love and prayers to you and your family.

“ *What matters most in the life of Mike Stubbs is that he embodied God’s love. This was written in the smile he always had even in severe sickness. It was there when he was much younger and I can still recall what he looked like when I was small and him the older cousin - that he was always smiling...*

“ Teresa and family, I am so sorry to learn of Mike's passing. I am praying for all of you as you go through this time of grief. It is so hard to lose a loved one. We know he is out of his pain and suffering he had here on earth. Rely on Jesus to give you the strength you need. I pray you feel his hands supporting you. Remember, it is okay to cry. Tears seem to help us endure the pain. The Bible tells us that Jesus wept. If I can do anything for you, please call on me. Remember, I love you and your family,
