“ *Georgie was a special friend at Westminster that I enjoyed visiting with, whether in person or on the phone. She always had a kind word, a smile and a "I love you" attached to each conversation. She will be missed by many, and my thoughts and prayers for her family and her many dear friends.*

*I am so very sorry to see this news in the paper. I know your Mom was 94, but I'm shocked. I just saw her at Trader Joe's in October and we had so much fun together looking at the pumpkins. My family and I eat at El Patio a lot on Sundays after Church, and I often saw your Mom there and we always had the most fun visits. I will miss seeing her there.*

*I'm so sorry for your loss, it's hard I know. The Rawsons and Briar Rose will always be treasured memories .*
