“ *I was about 10 years old when I met Aunt Jerry through my friend Tina Kelley. I was accepted right away in this crazy/wacky family (and I mean that in a good way), I guess because I fit right in. I have such wonderful memories of visting West Sandy and Richards. Which is what I would call my stomping grounds. I would stay for weeks or weekends at a time. Once I would come home, my mother always said, "your not going back there because everytime you come home you talk like country people". Which I did and I loved it. Being around this family, I learned to have fun just by a simple fish fry, going to the Moose or sitting around an outside fire. I will always cherish Aunt Jerry. I loved her personality and she always welcomed me as if I were her own daughter. Most of my life is made up of memories that I built with this group of fun loving people in West Sandy. Thank you Aunt Jerry for being apart of my memories!!*
