

Gerry "Mama Gay" Weger

January 1, 1953

Gay Weger, precious wife, mother, daughter, and sister slipped away from us quietly after a long debilitating illness. Gay was born in Houston in 1957, graduated from Angelo State University with a degree in Education that led her into a life working with all kinds of children and teenagers, especially those who were troubled and needed love and guidance. She taught in the Huffman Independent School District, and later helped develop Special Ed programs for the Huntsville Independent School District. She had a passionate love for her family and will be remembered by many others whose lives were changed by the one they called "Mama Gay". She leaves to cherish her memory her loving husband Tom Weger, her sons Luke Weger, Jacob Weger, and Matthew McCarson; mother Samye Funderburk; her two brothers Paige and Norman and his wife Kathy, and her beloved father in law Chuck Weger. We are comforted by her strong faith and the knowledge that she is now with her beloved father Jerry in Heaven. Visitation with friends will be at the Sam Houston Funeral Home Thursday, May 8th from 5 pm to 7 pm. Memorials honoring Gay can be sent towards the development of our children in our community, or a charity of your choice. In memory eternally, her love for all shall forever endure. Memorial condolences may be made to the family online at www.shmfh.com.

“ Tom, Matt, Jake, and Luke: Gay was like a sister to me. From the day we met in college, we bonded. My wish is that you all find such a friend in your lives as Gay was to me. Call me if you come to Austin. I love to reminisce about all the good times we had together. She will be missed. Love and happy thoughts to you all. - Norma

“ Tom, We want you to know that you are always welcomed and that we send our thoughts and prayers to you and your family. We never had a chance to spend a lot of time with Gay, but when we did she never failed to make us feel like we were part of the family.

“ Mr. Weger, Luke, and Jake I am sorry to hear of the loss of Mrs. Weger. I had the pleasure of meeting her when I taught both Jake and Luke in fourth grade. She was very warm and supportive. She also allowed my grandson, Novi to spend about a week in her home with the boys. I am praying for your entire family.

“ Tom, Jake and Luke, I was so saddened to hear the news of Gay's passing. She was such an intelligent, loving woman. It was a privilege to know her and to teach 2 of her sons in kindergarten. Luke, I remember when Jake was in my class and you came with your dad for field day. I introduced myself and you said "I know who you are, I pray for you every night". Your dad explained that Jake included me in his bedtime prayers and you emulated him. One of the sweetest things I've ever heard. Please know I am praying for all of you now.

“ Tom, Matthew, Jake and Luke, I'm so sorry. My heart is heavy this morning as I learned of Gays passing. She was a remarkable person, and a good friend. She loved all of you so much and was so proud of her boys. She was often my mentor when I was a young mother of boys. She taught me so much about patience and perspective. Although I haven't seen her in quite some time, her presence in this world is definitely missed. She touched alot of lives and I'm happy to have known her.
