“ *Tanner and I have been friends for over 30 years, he will be missed. He was the one who encouraged me to go back to school, get my degree and to keep pushing. I will always be grateful for the confidence he instilled in me. I will miss our annual luncheon and our talks. RIH*

“ *Glen was my friend and worked with me from 1971 to 1999. He was a hard working dedicated individual who always analytical in anything he took on. He relocated to San Diego, California when asked without hesitation. He and I were business partners in Lubbock from 1997 to 1999 which proved to be very profitable for both of us. After his relocation to Huntsville area he and I would visit by phone once a month. He was enjoying his retirement and Central Texas. I will miss him. RIP my friend. God Bless*
