“ *I have known Ms. Glenda for years, but it wasn't until I started working at La Quinta that I had the opportunity to get to know her. She always had a very pleasant, humble, sweet and loving attitude no matter what was going on. Her advice to me was always the same, 'Just Be Sweet'. The World needs more Ms. Glenda's.*

My condolences to her daughters and entire family. Heaven has gained a beautiful Angel.

Rest In Peace, Ms. Glenda.
