“ *I could write a book on the memories I have with this woman. She shaped so much of my life and has been like a mother to me. She taught me to bowl when I was 9 yrs old and we bowled for years into my adulthood. My mom and she have taken me to Vegas on vacation, but as a child, spending summers with her were what I cherish. Her family, mr.johnny, mickey and randy and cindy, but she was out of the house already then, have all been like another family to me and I'll always hold them sll dear to my heart.*

“ *We seniors at Huntsville lanes will sorely miss our leader (President of 2 leagues). Gloria truly loved to bowl and was a fierce competitor - I know because I was on her team. We all have seen about a million pictures of the great grandchildren; I think she was proud of them.*

Our sympathy to the family.

“ On Halloween night I told Gloria how special it was to be celebrating with her great-grandchildren! She agreed she was lucky and loved being "Grannie".

I'm available however I can help.
