“ *To Kristin and Kelly,
Im so sorry for your loss. Your dad always made me laugh throughout high school as he drank his jim beam, standing around outside for hours, "watching the grass grow". He is a great man and was a great step-dad. Sorry i can't be there tomorrow morning.....you are in my thoughts.

“ I have fond memories of Gordon when I first started with MCCS about 7 years ago. He was always so helpful and always smiling and we would laugh and In those years I was a rookie, didnot know anything about the bankcard industry
And he was always willing to educate and teach.
He will be missed
All the best to his family and deepest sympathy

“ I feel like I have lost my best friend, which he was one of my best friends, and my buddy. He and I go back about 10 yrs now. I remember when he was with MCCS; I used to call him almost daily to talk to him about either shipping, or other Bank stuff, and he always used to make me laugh, he used to tell me “hey King, how is crazy California? Have not you all gone under the water yet?” He is now looking down to us, and smiling to all of us. He was good man. It is very hard for me knowing that I can not see him, or hear his voice any more.

I would like to offer my deepest sympathy to the family. He will not be forgotten, just his thoughts will be with all of us for ever. May God Bless Him.

“ Gordon you maybe gone now, but never forgotten. I will always remember how you made me laugh with the funny jokes and how you always told me the truth. I will miss you, but it makes feel good knowing that now all the pain is gone and you are making someone else laugh now, and that's a good thing.
To the family take comfort in knowing he was well loved and admired. Now the pain and discomfort is gone, nothing but the laughter remains.
